Lebanese Community Event 26.06.2011

The Lebanese Community North of England held the family festival fun day on 26th June 2011 and it was a glorious success, with the crowds coming out to support us. The weather stayed glorious, with the sun shining all day. Everyone enjoyed a packed fun day, with max drinks all round. The children had fun on the

bouncy castle and playing five a side football.

The day ended with us sharing a delicious Lebanese traditional salad and Kafta, prepared and cooked by Mrs. Mona Nassar one of our valuable members. An excellent day was had by all.

Congratulation to: Mr. Khalid Ramadan & his wife with new baby girl

Get Well Soon. We wish to Miss. Wafa Nassar a very speedy recovery from her injury.
