Lebanese Community Event 21.05.2011

The Lebanese Community held the first Student event on Saturday 21st May, at Al-Waali's, Banqueting Hall. After a warm welcome by the president, the outstanding live entertainment started... thrilled the guests with his powerful voice and excellent music. The audience needed little encouragement!.. Before you knew it, everyone,

young and not-so-young, took to the floor and engaged in the traditional Dabkah Lebanese dance. As the musicians took a break, a delicious meal was served, and then the live music continued throughout the night. A Fantastic evening was had by all.

Mr. Wael Nazha retired Lebanese football Captain and his wife joined in with the merriment of the evening.

Miss. Rana Ashkar who holds the title Miss Lebanon in the UK, was boogying the night away.
